

Just In is repeated twice in the same viewport, causing redundancy and unnecessary visual clutter.

The screenshot shows the manoramaONLINE homepage. On the left, there is a sidebar with various icons and a 'Just In' section. Below it, the main content area features a large video player with a play button. To the right of the video, there is another 'Just In' section with three news items. At the bottom of the page, there is a footer with a 'Just In' section and a banner for 'AI-powered hearing aid at surprising cost.'

The left and right margins of the content are inconsistent, causing visual imbalance.

This screenshot shows a different view of the manoramaONLINE website. It features a large central video player on the left, a 'Just In' section with three news items in the middle, and a 'WHAT YOU SHOULD READ NEXT' section with three more news items on the right. The layout is visually unbalanced due to the varying widths of the columns.

The ad close (X) icon is misaligned

Need spacing

The screenshot shows the manoramaONLINE homepage again. A red circle highlights a lack of vertical spacing between the 'Just In' section and the 'WHAT YOU SHOULD READ NEXT' section, which are placed very close together.
