

Goal

Transform The Newsletter From A Static Article Collection Into A Curated Editorial Morning Briefing This Will Improves Engagement, Habit Formation, And Premium Conversion

UX Problems In Current Design

1. Premium CTA Placement Has Low Visibility

Problem

The Premium Section Appears Only At The Bottom.

Most Users Won't Scroll Till End.

Introduce Premium Promotion INSIDE The Content Flow.

2. All Headlines Feel Equal Priority

Currently All 7 Stories Visually Look Similar.

3. No Reading Time Indicator

4. Newsletter Feels Static

Need To Add > Morning Brief

Good Morning
Here Are Today's 7 Biggest Developments."

5. Read More Very Repetitive.

- Need To Use Use Contextual CTA.
- Read Full Story
- Watch Explained Video
- See Live Updates
- Read Premium Analysis
